

## **CONCOURS (AND/OR PEOPLE'S CHOICE EVENTS) PARTICIPATION POLICY**

To participate in any FOG Concours (and/or People's Choice event), the following criteria are employed by the Florida Owners Group.

**1. Policy:** The vehicle must have a 356 body manufactured by Porsche with a VIN number stamped on the body, listed as being manufactured 1948 through 1965, and consistent with the model and year of the vehicle. Vehicles not meeting these criteria are not allowed to be on the Concours field/site.

**2. Rationale:** This policy is consistent with the National Organization policy. This policy also avoids our violation of the National Organization's insurance which is needed for our events.
